Registration Statement on Form F-1

Prospectus Summary Recent Developments, page 6

We note your preliminary estimates of certain results of operations for the three months ended March 31, 2020, and your statement warning that there are no guarantees that revenues will grow or remain at similar levels for the rest of 2020. In light of the continuing effects of the pandemic well into the second quarter and the likely adverse impact of the pandemic for the foreseeable future, you should consider expanding your discussion to discuss the reasonably known likely effects of the pandemic on your results of operations and

financial condition for 2020.
