2Q 2024 Earnings Conference Call Presentation

August 2024

By viewing, accessing, or participating in this presentation, you agree to be bound by the following limitations. Any failure to comply with these restrictions may constitute a violation of applicable securities laws.

This presentation has been prepared by UCLOUDLINK GROUP INC. (the "Company") solely for information purposes. This presentation does not constitute an offer to sell or issue or an invitation to purchase or subscribe for any securities of the Company for sale in the United States or anywhere else. In particular, this presentation and the information contained herein are not an offer of any securities of the Company for sale in the United States or to or for the benefit of U.S. persons and are not for publication or distribution in the United States or in any other jurisdiction in which such publication or distribution would be prohibited by applicable law. This presentation is provided without any warranty or representation of any kind, either expressed or implied. The Company specifically disclaims all responsibilities in respect of any use or reliance of any information, whether financial or otherwise, contained in this presentation. This presentation contains certain forward-looking statements with respect to the financial condition, results of operations and business of the Company. These forward-looking statements represent the Company's expectations or beliefs concerning future events and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements. Certain statements, such as those that include the words "potential", "estimated", "expects", "anticipates", "objective", "intends", "plans", "believes", "estimates", and similar expressions or variations on such expressions may be considered "forward-looking statements". Forward-looking statements involve inherent risks and uncertainties. Readers should be cautioned that a number of factors could cause actual results to differ in some instances materially, from those anticipated or implied in any forward-looking statement. Forward-looking statements speak only as of the date they are made, and it should not be assumed that they have been reviewed

The information contained in this presentation has not been independently verified. No representation or warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, reliability, accuracy, completeness or correctness of such information or opinions contained herein. The presentation should not be regarded by recipients as a substitute for the exercise of their own judgment. The information contained in this presentation should be considered in the context of the circumstances prevailing at the time and has not been, and will not be, updated to reflect material developments which may occur after the date of the presentation. The Company is not under any obligation to keep the information contained in this presentation current, and any opinions expressed in it are subject to change without notice. Neither the Company nor any of its directors, shareholders, employees, agents, affiliates, advisors, representatives or underwriters will be liable (whether in contract, tort, strict liability or otherwise) for any direct, incidental, consequential, punitive or special damages howsoever arising from any use of this presentation or its contents or otherwise arising in connection with the presentation. The information presented or contained in this presentation is subject to change without notice and its accuracy is not guaranteed.

This document also contains non-GAAP financial measures, the presentation of which is not intended to be considered in isolation or as a substitute for the financial information prepared and presented in accordance with accounting principles generally accepted in the United States of America. In addition, the Company's calculation of these non-GAAP financial measures may be different from the calculation used by other companies, and therefore comparability may be limited. The reconciliation of those measures to the most comparable GAAP measures is contained within this presentation.

### Financial Highlights: Strong Operating Cash Flow and Solid Performance

(Nasdaq: UCL)

Total Revenues<sup>(1)</sup>

US\$22.4 million

Net Income (1)

US\$2.2 million

Net Operating Cash Inflow (1)

US\$4.7 million

Note: 1. In Q2 2024

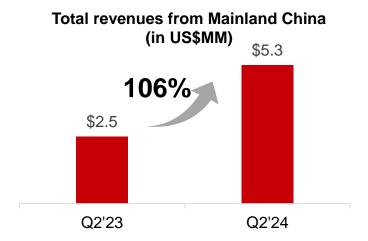

### **Enhancing Leading Position In the Global Roaming Market**

(Nasdaq: UCL)

### **Business Performance**

Increases in revenues from Mainland China are primarily driven by the recovery of international travel.

### **Key Drivers**

- Innovative Global 5G Solutions, providing fullspeed 5G network coverage across 60 countries and regions, enhancing our leading competitive position within the global roaming market
- Sales of GlocalMe SIM, including OTA and eSIM, doubled quarter-to-quarter
- Expanding business beyond portable Wi-Fi terminals and building an expanded array of comprehensive data connectivity solutions to satisfy a wide range of user needs

# **Expanding Business Beyond the Travel Sector into Various Aspects of Daily Life**

(Nasdag: UCL)

01

### **GlocalMe Mobile/Fixed Broadband**

Strengthen our leadership position in the sector and redefine industry benchmarks for connectivity and innovation. 5G solutions have been continuously promoted and popularized.

GlocalMe SIM

**OTA:** Physical card, easy to carry, recharge data package via mobile APP **eSIM:** No physical card required, ultraportable, convenient and fast "All SIM": Compatible with various smartphones, consolidating OTA SIM, eSIM, and Cloud SIM into "All SIM" solutions.

Transition to a mix of value-added services and mobile WiFi data traffic solutions 05

Other value-added services...

02

#### GlocalMe Life

Offering seamless connectivity to various high-frequency daily life application scenarios to help expand our user base beyond travel sector and diversify revenue streams.

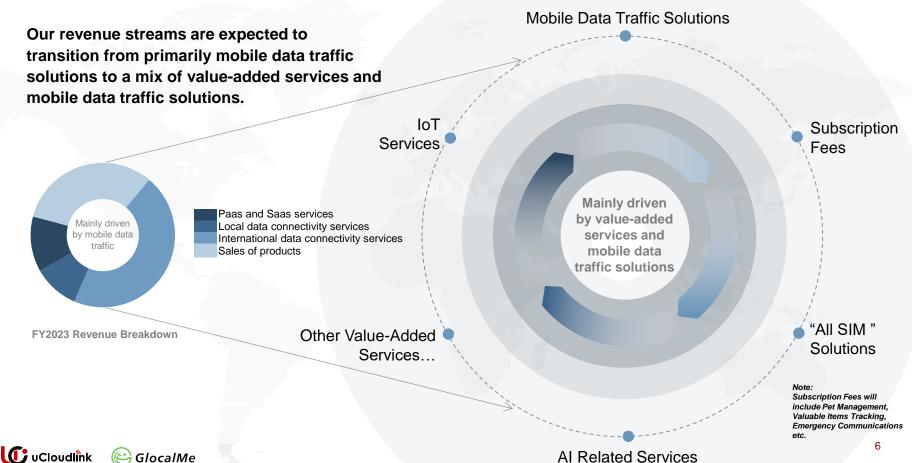

04

### GlocalMe IoT

Compatible with various chipset platforms to engage with a broader spectrum of partners in the security camera, dashboard camera, and other related sectors to explore additional application scenarios.

### Better Connection Empowers Better Life: Three GlocalMe Life Solutions Launched

(Nasdaq: UCL)

GlocalMe

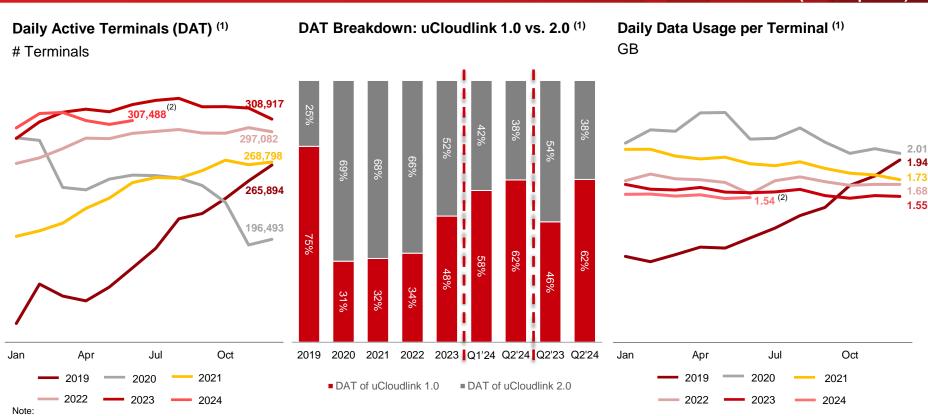

U uCloudlink

The first three GlocalMe Life solutions launched in May at Viva Technology 2024 in Paris attracted widespread attention from distributors and users. We expect them to contribute more revenues in the coming quarters through various markets and channels. With our high-quality data connectivity solutions for a range of everyday scenarios, we will be able to engage with a broader end user base and enable our users to enjoy a more intelligent and convenient life.

<sup>1.</sup> Average daily active terminals include terminals connected to our platform that are serviced by us or our business partners.

Data consumed by the active terminals including data consumed by users who contributed to our revenues from data connectivity services and data consumed by users who did not contribute to such revenues.

uCloudlink

#### **Better Data Connections for MNOs and Users**

Improves network coverage and alleviates congestion both indoors and outdoors

- Uses existing coverage to create more reliable data connections, providing operators and users with Better 5G Data Connectivity
- Seamless coverage for end users; solves pain points such as roaming and international travel
- Enables MNOs to improve user experience without expensive upgrades to existing infrastructure
- Ample opportunities in industries requiring high-quality data connectivity (such as education, energy, autonomous driving, etc)
- Improved overall network efficiency and access to worldwide networks via "Navigation + Electronic Toll Pass"

# Our Advanced Technology and Solutions Enable Secure and Robust Connectivity (Nasdaq: UCL)

#### **Cloud SIM Technology HyperConn Solutions** Information Secured 2 targets connection security Seed SIM Pool of SIM Cards (2) Identification **Monitoring Optimization** from 392 MNOs(3) Server Globally 3 methods BSS Cross Cross Cross Cross Cross **Physical** SIM form **Operators** nation levels factors 182 Patents (1) Software-based
